

Oral Presentation

Family Winter Traditions
Where do they come from?

Mrs. Stredwick

Hello Families,

What are your family's traditions during the winter months? Do you hang up stockings by the fireplace or eat ham on Christmas Eve? Are any of the traditions from the homelands of your family or are they American traditions? Discuss with your child your holiday traditions and the stories behind them.

Task: your child will do a 5 minute oral presentation for the class next week about his/her family traditions. Your child may bring one artifact or picture that represents the tradition. Your child needs to share one family story about the tradition. If possible, your child needs to decide if the tradition is from the homeland of your family or American. Do a little research.

Schedule for next week:

Monday: Team 1 and 2

Tuesday: Team 3 and 4

Wednesday: Team 5 and 6

Thursday: Team 7 and 8
